## I. BASIS FOR JURISDICTION

Federal courts are courts of limited jurisdiction (limited power). Generally, only two types of cases can be heard in federal court: cases involving a federal question and cases involving diversity of citizenship of the parties. Under 28 U.S.C. § 1331, a case arising under the United States Constitution or federal laws or treaties is a federal question case. Under 28 U.S.C. § 1332, a case in which a citizen of one State sues a citizen of another State or nation, and the amount in controversy is more than \$75,000, is a diversity case. In a diversity case, no defendant may be a citizen of the same State as any plaintiff.

## III. STATEMENT OF CLAIM

Place(s) of occurrence: NYC, Bronx, BrooklynDate(s) of occurrence: From 07/18/20 - Present 07/21/20

## FACTS:

State here briefly the FACTS that support your case. Describe what happened, how you were harmed, and what each defendant personally did or failed to do that harmed you. Attach additional pages if needed.

I heard one of the defendants said "now I have to fight to fix that problem".

Well! instead of trying to correct the problem the defendant's way was to punish me further by doing other hurtful and harmful acts. The defendants do not want to pay any compensation to me.

The defendants have joined forces as with this case and are taking back their monies from me in advance. One said to the other "You do not see how fat she is - it's because she has never eaten - Look at the new product." - what you waiting for?

Put the full weight on her - she cannot get up and go - put a pinch or slice on her foot."

"Mr. A. wiser than she" - "Control the program"  
 "Boy did I dirty."

I am getting hit all around and everywhere. Well when you are a sitting duck these things happen. Last night I heard one defendant said to the other "we just arrive".

Jesus said "What's wrong with these people". As usual the man in the sky alerted others to my location and they soon showed up to inflict financial blows.

#### INJURIES:

If you were injured as a result of these actions, describe your injuries and what medical treatment, if any, you required and received.

Decrease in vision, memory, hearing. Decline health and hygiene. Blurry eyes, temple pain, neck pain, chest pain. Blocked paths to housing + food. Oppression. Stalked, monitored. Traumatized. Overwhelm. Exposure to the elements. Swollen ankles. Reuse of dirty clothes. Harassed. Ear-lobe throbbing. Uncomfortability.

#### IV. RELIEF

State briefly what money damages or other relief you want the court to order.

I would like to ask the court to bring in investigators to investigate this case.

I would like to ask the court to order the defendants restore all what was swindled and to compensate me for creating hardships, stressors,

FACT (2)

Most acts through out the late night and early morning was being done from 273 (38 West) Manhattan Hotel sidewalk location. Other acts of theft were done by "passersby". There was also the merchandising freight trucks and Waste Removal trucks. I noticed three cars doing acts of theft as they drove past also.

That silver bullet has been used on me twice Yesterday and early this morning by the newspaper delivery man. When they shoot me I quickly knock out and then they make their move. Yesterday the "silver bullet act" was done at West Street and Battery Place by two women at 10:35 am.

The man in the sky need psychiatric help - I believe so. It is summer time. The temperature is hot. I cannot be sleeping shielding my head with a cardboard box in this heat. That is not normal and inhumane. I am forced to hide my head in a box because of the evil acts of the defendants.

Everyday cannot be the same. Nothing good going for me - only torturers, mockers and harassers. It appears the defendants don't understand the mental and physical impact the game-players do to me when they keep coming at me. Too many psychos play that game. I did not sign up as a player.

The defendants have used me as their main product for playing that game without my knowledge. My money/me is the target to bring in money for the defendants. The game is still being played. Players think and or know they can just pass by zap me and go. Most players do it as if they are entitled.

FACT (3)

At 5:18 man came into  
#7091 to "curse" me 7/21/20.  
He was sent.

My money is my money. It does not matter if I eat or not. Your eyes are big and gogly. That is not your concern. The defendants have too many moral problems. They said I lost a pair of shoes, I don't know how. A Chinese young man passed quickly by the room last night 1055pm and did his things on his cellphone. 263 West 38 Street.

Yesterday Battery Park had a fun day. It appeared to me the guy who was told to close the rest room at 3:15pm on Saturday was at it again yesterday. After they monitored me - he encountered or trapped me at a "point" and zapped me on his employee's bagged.

At 7:30pm a female employee stole from me as she ambulated her way where I sat to steal. She was taking pictures of the shrubs (excuse). I heard her said "I can make money with this". She was at Battery Place and West Street. I heard her said "What's the matter - I am so like the devil".

On Friday night at 35 Columbus after I was stalked I was awakened at 4:45am (Saturday) to vacate the room. I had chose a spot under a small store. The sign on the glass window said "Store for rent". It was used as a storage. The man was told to pull out a water-hose. The kicker was when I saw the hose, <sup>it was</sup> for me to urinate. The man said to me "Get up - leave".

Footishness and more foolishness. I have a toilet and cannot use my own toilet. Someone is always trying or sent to thief to from. The guy wearing the red and black coverall at 905am yesterday stole from me at the

entrance door of the South Street rest-room. A man  
slowly jogging pass strike from me too after he said  
"Morning Dear."  
I stood at Central Park West and 67 Street about  
6:50am.

It was a female NYPD officer at Times Square  
rest-room area (5:10am). It is constantly NYPD  
passing me close by (most case) after case zap me.  
Saturday they were close enough to zap me. Car  
# 4456 at CPW and 70 Street (520am).

I had just sat down to read at a small  
reisure spot in Times Square and shortly had a  
device used on me. A Chinese man was going into  
his business place "Cook" on Broadway and did me  
dirty before entering at about (6:00am). I believe  
he was sub along with a woman - five minutes  
before him.

Standing here and writing is very uncom-  
fortable. I have my own house - I need to  
get into it. My back hurts bending over writing.  
Helicopters every where I end up. Need I say more.  
I always have to get up and leave if I see  
they circle my head. Saturday and Sunday  
they were very much present.

I almost lost my mind with the  
game-players coming after me. Please about  
that apt. Stop that game - It is illegal.  
They game players and playing is very much  
alive - please about that apt finder.  
M.T.A please about the people finder on stop  
that game. I did not sign up for it.  
Pay up your compensation. I've had it up to  
my throat with the people zapping.  
I am holding the defendants accountable for time wasting.

RELIEF (2)

Set-backs, pain and suffering.

Prosecute all perpetrators.

I need to get into my house. Most times I stand on the platform and eat. This can be done in my house. Please hand over my house keys to my Bishop along with compensation.

Please have my other house available.

I need lunch money daily. I did not get any money yesterday for lunch. Please re-arrange this - so I can stay alive.
